AUTHORIZATION FOR PUBLIC TRANSPORTATION

I give my child, _____,
permission to take public transportation to and from The
New LIFE School. I am aware that when my child be-
gins taking public transportation, they will be removed
from bus service. At any point that I decide my child
will receive bus service again, I will notify the school
and the school will request bus service for my child.

*Please Note: Bus service may take weeks to be routed
and your child may continue taking public transportation
at that time. Once the bus is routed, your child's Metro-
Card will be deactivated.*
